

DONATION RECEIPTS

All receipts must show:

- your and/or your spouse/partner's name
- the amount and date of the donation
- a clear statement that it is a donation
- the signature of an authorised person
- an official stamp with the name of the donee organisation
- the word "copy" or "replacement" if it's a replacement receipt.

CAN I CLAIM A TAX CREDIT?

You can claim a tax credit if you're an individual (not a company, trust or partnership) who:

- earned taxable income (eg, salary, wages, benefit, self-employed income, interest) in the income year you're claiming for, and
- were in New Zealand at any time during that tax year (includes non-residents).

WHAT CAN I CLAIM?

Donations

A donation is a gift of money made voluntarily to a donee organisation, where there is no identifiable direct benefit to the donor, or the donor's family.

If you have receipts, you can claim a tax credit for donations of \$5 or more. Check whether you can claim a tax credit at www.ird.govt.nz

Childcare

If you paid a person or organisation (eg, a crèche, Barnardos, kindergarten) for childcare, you can claim this tax credit if:

- you were a single parent, and your child was either under 18 or unable to work because of a disability
- you were married, or living in a civil union/de facto relationship, and both you and your spouse/partner were in employment/self-employed (this doesn't apply to couples who are separated)
- you or your spouse/partner were disabled or physically unable to care for the child.

The maximum claim for one family is \$310, which covers payments of \$940 or more.

Housekeeper

You can claim a housekeeper tax credit if you have receipts to show you paid for a housekeeper, because you or your spouse/partner were disabled or physically unable to look after the home. Doesn't include amounts covered by subsidies and reimbursements.

HOW MUCH CAN I CLAIM?

Donations

For donations made in the tax year ending 31 March 2009 and future years, you can claim the lesser of:

- 33.33% of the total donations you've made, or
- 33.33% of your taxable income.

Donations to approved organisations

Only donations to approved organisations can be claimed as tax credits. See www.ird.govt.nz/donee-organisations

Donations, childcare and/or housekeeper

The total of your qualifying donations and payments you're claiming can't exceed your taxable income.

Before 1 April 2008 there is a limit on total donations that can be claimed. For donations made in previous tax years you can claim the lesser of the above, or go to www.ird.govt.nz/donee-organisations for more information.

Childcare and housekeeper

For all tax years you can claim the lesser of:

- 33% of the total payments you've made, or
- \$310 (\$940 x33%), or
- 33% of your taxable income.

Sharing receipts with your spouse/partner

If your spouse/partner has taxable income they may be eligible to claim the balance of your receipts

Example

Your taxable income is \$1,000, but you have donated \$1,500. You're eligible to claim \$1,000 and, if your partner/spouse has income over \$500, they can claim the \$500.

If both spouses/partners are claiming a portion of the childcare and/or housekeeper payments they can't both claim the full amount. It must be split between both. For example, if they're claiming the maximum of \$310 to be split between both parties, each person can only claim \$155.
